9 Ray: Uh, I called my dad for a ride in the beginning from Saginaw and he
10 showed up and he was kind of intoxicated uh he didn't take me
11 straight home like he was supposed to, he went straight up to St.
12 Elmo's and uh I was up there for about an hour waiting for my dad
13 to hurry up and he wouldn't hurry up so I called Bob for a ride and I
14 was with a friend Manuel and uh he came driving around the pit and
15 seen me with Manuel and he hauled ass and started peeling his tires
16 and flipped a bitch and then uh, he told me that I could walk my ass
17 back to Warren and when I got right there by Lowell area where you
18 can turn into Lowell, he was parked right there and right away he
19 came running up to me and grabbed me into his truck and my friend
20 Manuel was yelling at him and he told Manuel if he gets off the bike
21 he's going to kick his ass. He drove straight to his house and drug me
22 inside and flipping out on me, yelling at me and told me that if I try to
23 leave he's going to whoop my ass and then as soon as I seen the door
24 open when he was letting the chihuahua's out, I just skipped out and
25 took off running down the street.

26 Mahoney: Ok.

27 Ray: But I was screaming for his brother Clint upstairs to come down and
28 help and nobody would come down and do anything.

29 Mahoney: Ok, who's Manuel?

48 Ray: Yeah cause he threw me in the back of his car.

56 suburban, not a suburban, I think it's a Denali.

57 Mahoney: What color is it?

58 Ray: White. It has a gold stripe at the bottom.
